Browse your albums until you find a photo you want to use Choose a new photo If you've ever wanted to put your face on a magazine cover, you can do it with Photoshop, but you'll obviously need skills. On the other hand, why go through the hassle when you can create one pretty quickly with the right online tool? I found about 9 such tools that you can use to create magazine cover, with little down to no design skills. Whether it's Esquire, Cosmopolitan, Glamore or Times Magazine, take a look at the tools below and see what you think. Maybe you can even use them to pull a prank on your friends. Read also: 30+ Free Magazine PSD Mockups Download Magazine Cover Maker by FotoJet with Cover Maker magazine, you can put your own photo on the covers of famous magazines such as People, Playboy, Time, Capital, with just one click. The site has templates to choose from and a simple user-friendly interface to work with. Save your Ready magazine cover to JPG or PNG, or share directly on social media. PhotoFunia PhotoFunia is an online service that allows you to adjust your photos, create a postcard, add funny faces, drawings, frames to your photos, and add your photo to a magazine cover. Instead of just a generic magazine cover featuring your photo, this service allows you to incorporate the magazine into images of real life settings. Funny photo Funny picture allows you to play with different effects of image, frames, postcard and collage patterns to enhance your image and create your own very personal proof of starness. It has a photo editor that can help you retouch a photo before using it. You'll find a variety of magazine covers, including some of the more modern covers. BigHugeLabs BigHugeLabs gives you a few options when it comes to uploading your photo. You can choose to do this from your PC, Instagram, Facebook, or flickr photo stream. Furthermore, with this tool, you can select the magazine layout, title, tagging, publish date, and more. You can also use this to create a postcard. Madmagz Madmagz is an online tool that allows you to create not only a magazine cover, but an entire magazine line by line. They have magazine templates made in advance, and you can choose one of them: modern, classic, pop art, visual, minimal, newsletter, romance, clean, flat and more. Note: This is actually a paid service, with some free options – you can create a free internet magazine version. LucidPress LucidPress allows you to create a magazine along with brochures, posters, flyers, orders and newsletters. You can choose one of the pre-adjusted magazine templates, each of which adjusts to match your brand. This tool is paid for, but if you want to create just a magazine cover with yourself, you can do it for free. Fakeazine Fakeazine gives you the chance to be the star on the cover from a selection of over 100 magazines. You can upload a picture and then adjust it by zooming in, dragging it as needed, and even changing it Color. When you're done, you'll get a code to share this magazine cover through your social networks, forums, etc. Canva Canva is a popular online tool to add text to images. You can create a magazine cover with your photo, presentation, poster, different social media profile and cover photos, blog post photos, resumes, and many more. They have ready-made designs of any kind of images, so you can just add your own picture and text – and that's it. Pulp-o-mizer If you like pulp magazines, with this tool you can put your picture on the cover of Pulp magazine. The Customize tool lets you adjust text, columns, alignment, text size, shadow, font, and more. Then, you can download the cover or use it to print T-shirts, mugs, magnets, posters, iPad cases and more (this is an external service by Zazzle, charges apply).
